Rider Attire:	Rider must be neat and presentable, light colored pants are preferred. Helmets must be worn - there is no exception to this rule. Suitable footwear with a heel must be worn for safety reasons.
Tack:	Tack must follow USEF Rules.
Arena:	Use arenas that are as near as possible to regulation size and be sure letters are set appropriately to be viewed by the judge. Cones with large letters on them and poles on the ground to delineate the corners are acceptable. Dimensions for small dressage arenas must be 20X40 meters (or approximately 66 feet x 132 feet). Dimensions for standard – or long – dressage arenas must be 20X60 meters (or approximately 66 feet x 197 feet).
Filming:	Videos of tests must be unedited from start to finish and be one continuous recording. Videos must be filmed in LANDSCAPE orientation. The test must be videoed from C, where the judge would normally be seated. Keep the horse in frame paying close attention to the near corners. You may zoom in slightly on the far corners. Make sure to keep the letters in the frame that are elements of the test being performed.
Additional Rules:	Ridden tests may be submitted to ONLY ONE online show. A video of a test/ride from another competition that has already been judged must be eliminated. Any video suspected of having been filmed during another competition will not be scored. The test may be called. Coaching during the test is not allowed. The natural background sound for the test must be audible. Tests with no sound at all will not be accepted. Bridle or saddle pad numbers are not allowed.
Entry Fees:	Cost per test varies per level. Please visit www.betterdressagescores.com for more information.
